**Workshops:** Please note the following:

- Read all the workshop descriptions at [gsgreatescape.org](http://gsgreatescape.org) before making your decision.
- Clearly write the alpha-numeric workshop codes - not the names of the workshops - in the chart below.
- Workshop Choices
  - ◆ If you list a 1<sup>st</sup> choice workshop, please include 2<sup>nd</sup> and 3<sup>rd</sup> choices.
  - ◆ If you do not want to attend a workshop for a particular session or if you have a 1<sup>st</sup> choice but no 2<sup>nd</sup> or 3<sup>rd</sup> choice, list an applicable free-time code, i.e., A1, B1, C1, or D1.
- If choosing a double session (AB or CD) or the all-day session (ABCD), leave the corresponding single sessions blank. For example, if listing an AB workshop as your first choice, do not put anything in the 1<sup>st</sup> choice column for A or B; otherwise, the person assigning the workshops will have no way of knowing which workshop is your actual first choice.
- Please feel free to write an explanation for your workshop choices if you think they need clarification.
